Our Mission

NFCUSA delivers a new vision in security risk management. Our core concept is to provide a multi-disciplinary specialist approach to security management, using the most qualified experts in the field.

NFCUSA is a multi-disciplined company with a team of highly experienced security experts. Our field of expertise includes military, law enforcement and civil backgrounds.

Extensive training coupled with actual experience in Africa, Afghanistan, Bosnia/Kosovo, Iraq and third world developing countries contribute to the level of professionalism and ethics employed by our personnel in all missions we undertake. The Company maintains principal offices in Seattle, Washington and Chesapeake, Virginia. With further offices in Dubai and Paris and consultants in Rome, Geneva and Ankara, we are capable of rapid deployment of personnel and support equipment to any global destination.

Services

Through our established network of security professionals and organizations, NFCUSA is capable of providing specific services encompassing the following areas:

Training and consultation for private security forces and foreign government military and police forces

NFCUSA personnel have provided training for United Nations peace-keeping forces, New York City Police Department, and numerous international and domestic law enforcement agencies. We've provided training such as:

- » weapons training,
- » hand to hand combat training,
- » close protection,
- » surveillance detection,
- » policing methods,
- » peace keeping methods
- » and anti terrorist methods.

Protection of assets

Mission critical equipment, supply chain, convoy and transportation security.

Armed and unarmed personnel protection

Personal Security Details for Diplomatic Corps, Foreign Government Officials, Corporate Executives and Humanitarian Aid Personnel.

Facility and compound security

Armed and unarmed guard units to protect US Government building and compounds, Industrial installations and work sites.

High risk tactical and anti-terrorism training

NFCUSA personnel maintain current levels of expertise in all facets of certification relating to security and threat reductions, and are accomplished instructors and trainers.

Risk Assessments

We perform facility and personnel audits to enhance and improve our client's current levels of protection and security.

Nondiscrimination Statement: NFC*USA is dedicated to equal opportunity employment and does not discriminate on the basis of race, color, national origin, gender, sexual orientation, age, marital status. We encourage the very best from our employees and respect our clients national heritage, religious beliefs, and confidentiality.
