# WHERE WE'VE BEEN

**1992: Hurricane Andrew**
Served Florida Power Light (FPL) for 36 days at the Kendall Executive Airport, 3 meals/day for 1000+ linemen.

**2001: Tropical Storm Gabriel**
Responded and coordinated three emergency sites for FPL.

**2004: Hurricanes Charlie, Francis, Jean, and Ivan**
Responded and coordinated restoration and catering for FPL on both coasts of Florida simultaneously.

**2004-2005: Hurricanes Rita, Katrina, and Wilma**
Managed five emergency sites for power companies Sam Houston and Saint Tammany, including the largest FEMA camp following Katrina. Coordinated response for Hurricanes Rita and Wilma.

**2016: Hurricane Matthew**
Supported Florida State Emergency Response Team (SERT) following Hurricane Matthew.

**2017: Hurricane Harvey**
Called to action to Refugio, Corpus Christi, and Seguin, Texas.
Managed three sites in Puerto Rico, including temporary military bases with over a thousand troops.

**2018-2019: Hurricane Michael**
Coordinated and catered three tent sites for SERT and built eight locations to feed state workers and distribute supplies.
Deployed to Tyndall Air Force Base to handle catering during the rebuild after damage from Hurricane Michael.

**2020: COVID-19 Response**
Managed caterers for eight sites and over 7,500 people of three meals daily.
Deployed two teams to New Mexico and Arizona to provide catering to COVID patients in the Navajo Nation.
Managed catering for two testing sites for COVID in Florida and one quarantined military troop.

**2021-2022: COVID-19 Response, Hurricane Ida**
Deployed to South Carolina to manage catering for mass-vaccination sites.
MKB was on site to feed and support the staff of the Virgin Galactic prior to the space launch.
Managed two base camps in Louisiana for Hurricane Ida, one for the US Military, one for displaced residents.

# ABOUT US

**MKB Productions:** MKB has been providing disaster-relief services, catering, and base camp creation throughout the US since 1992.

**United Tents:** A full-service operations provider within 48-hour activation of short-term and long-term housing, camp facilities, and power utilities.

**NFCUSA:** A provider of international security solutions dedicated to serving the needs of U.S. Government Agencies, International Corporations and Non-Government Organizations with mission critical services. NFCUSA uses its background in military security and training to build and manage camp operations personnel.

**Basin Street Technologies: TEXT from BST coming soon**
